What Participants are saying about the Odyssey in Christ Experience....

“The retreat was restful—not exhausting which is how every conference has been for me. God the Father delighted me in his unexpected, tender, personal care. Jesus strengthened me for the future, healing long held wounds and giving me a vision for the future. The Holy Spirit checked my wrong directions and bound me in unity, leaving me with joy and peace.”

“This retreat is [an] excellent way to jumpstart your spiritual life or go to the next level. If you have been stuck in a rut or plateaued in your spiritual life, this retreat is the way to go.”

“This weekend gives encouragement to and shows how to make space for God and provides the tools to apply what He tells or gives you.”
