Partner with GCnext

Partner in praying

Join us in praying that God will open doors to and provide funding for GCnext strategic opportunities.

Partner in giving

The GCnext fund supports GCnext-related mission initiatives that cannot be fully funded by regular denominational income.

We ask you to help us fill this gap by making the GCnext fund a primary focus of your congregation’s regular mission-giving.

We ask that your church consider an automatic monthly donation to the GCnext fund as an add-on to its monthly “draw.” Your treasurer can arrange this by going to the congregation’s online.gci.org account and signing up for a recurring monthly donation to the GCnext fund. The amount designated may be adjusted at any time.

Donations to the fund also may be given by check to Grace Communion International. Note on the check’s memo line that it is for the *GCnext fund* and mail it to GCI, PO Box 5005, Glendora, CA 91740-0730.

Partner in serving

Serve on staff at a GCnext-focused event; host an intern or church planter gathering; participate in a church planting network. Contact your regional pastor for details.

GCnext current initiatives

Here are some of the ways that GCnext partners are planting seeds for GCI’s next generation. We invite your church to join in.

- **Conferences and training**
We help fund annual Converge conferences that gather young leaders, Church-Next workshops that equip church planters, and GCI intern gatherings.

- **GenMin initiatives**
We help fund the work of GenMin staff who invest in our camp, missions and young leader development ministries.
- **Internships**
We help fund the staff who work in our GCI Intern Program.
- **Church planting (CMM) initiatives**
We help fund staff to invest in the training of new church planters and the formation and support of regionally-based church planting support networks.
