

RETREAT PURPOSE

Our purpose in presenting the Odyssey in Christ retreat is to provide a time for participants to be refreshed, rejuvenated, and spiritually renewed by means of a focused encounter with our triune God, Father, Son, and Holy Spirit. Through prayer, meditation, communion, fellowship, and other spiritual formation activities you will have the opportunity to come to know God more intimately, and to experience his presence in your life in deeper ways. Taking a special time to commune with God through these activities in a relaxed and natural environment is an opportunity to experience healing and strengthening in your soul that will provide inspiration for your ongoing service in the ministry of Jesus Christ.

The time-frame for the retreat is a full 70 hours, beginning on a Thursday evening at 5:30 p. m. for dinner with fellow participants, spiritual directors and staff, and ending on Sunday afternoon at 4:00 p. m. Since this activity is a very focused time of intentionally seeking the presence of the Lord in community, participants must be present and remain on campus for the entire period of time.

Formal registration is required and online pre-retreat reading materials are available in order to help prepare for this unique and spiritually formative experience. The retreat is also offered for academic credit through Grace Communion Seminary (www.gcs.edu).

For registration details see the ministry website: www.odysseyinChrist.com.
